RIGHT NOW EXTRA GRIP IS WORTH GOLD

That's why you fit Cooper tyres

Beware of tyres that imitate the Cooper look but are not built to perform

If you want more control on outback roads, you need tyres with sharp, square tread edges that dig down and bite more during cornering on gravel, loose dirt roads and dirt tracks. Check before you buy.

Other tyres may look similar to Cooper tyres, but most 4WD tyre brands make only one all terrain tread – either one with

a round edge or one with a sharp, square edge. Meanwhile Cooper all terrain tyres come in a choice of tread edges so you can match your tyres to your driving. Feel the difference from the first moment you go off-road.

CLUB MEETINGS are held at the Challa Gardens Primary School, Humphries Terrace (off Torrens Road), Kilkeny on the first Thursday of every month except January. Meetings commence at 7.30 pm.

The Nissan Patrol Club is a member of Four Wheel Drive SA Inc (FWDSA), which is a member of Four Wheel Drive Australia Pty Ltd (formerly the Australian National Four Wheel Drive Council Inc (ANFWDC)).

UHF Channel 21 is recognised as the official Club radio channel.

Patrolling the Editor's Desk

Hi All And welcome to your first Patrolling magazine for 2020. It looks to be an exciting year for the Nissan Patrol Club with a new President at the helm—John Day, who comes with a new outlook for the club. We also have some changes to committee positions with new members joining.

The Family Children's Picnic in the Park and Christmas Brekkie feature in this edition and more of the 2019 photographic winners are on page 10 and 11

I hope you enjoy reading this edition and I am looking forward to receiving many interesting Trip reports, articles of interest to share and photo's taken during the year as they transpire. Hoping everyone manages to participate in Club activities and have a Great Year!

CRABBING WEEKEND

ARDROSSAN 8TH, 9TH and 10TH December, 1989

CONSISTED OF 7 VEHICLES

Ken and Sue set up the camp site in Ardrossan Caravan Park on Friday and were gradually joined by other members of the group.

The site was on the other side of the creek bed to the other campers and a very nice spot under the large trees with our own freshly painted conveniences and a handy shed complete with sink and hot and cold water. What more could one ask for?

Our guests were millions of ants but if you manage to sit with feet in a bucket of water they didn't pose too big a problem.

Saturday morning it was up early – after breakfast in bed for one, and off to Mack's Beach where Pat and John Newell were waiting for us for the main purpose of the trip. SERIOUS CRABBING. I learnt that weekend that some certainly have the knack of catching crabs and some know how to let them go!

Stan did very well and won a lot of friends when we looked in his tub. On returning to the beach with our treasure and chatting to Pat and family for a while it was decided to make a hasty retreat back to the caravan park before us and crabs would be carried away with the flies (unreal).

(Remember to complete your ICE form prior to commencing on your Trip.)

All participants must register their name and vehicle registration on the trip sheet, or advise the trip leader of their participation. Registration is required to comply with the Club's public liability insurance policy. Visitors are welcome to join most trips and social events; simply register your name on the sheet in the trip folder or see the Trips Officer. Visitors must also sign the Club "Warning" forms if participating on a trip.

All participants must confirm with the designated Trip Leader by the Confirmation Date that they still wish to attend the event or trip. Failure to do so will indicate to the Trip Leader that you do NOT wish to participate.

If at the last minute you are unable to join a trip for which you have registered, please make every endeavour to advise either the trip leader or someone else joining the trip. This will ensure the group is not held up waiting for a non-arrival.

The Presidents Points

Hello Patrollers,

2020 is here. Hopefully a year of “clear vision” for all.

The 2019 year seems to have flown by with much mirth and enjoyment over the year. Unfortunately we had to say goodbye to one of our older, long-standing members during the year. On a brighter note, Helen and Dave Richards, and Brian and Christine Robinson, became Life Members during the year. Hopefully 2020 is going to be a good year for all.

Breakfast in the Park was very well attended as usual. It was a wonderful opportunity to relax and enjoy the festivities before Christmas Day with our families.

The new Committee had our 1st meeting at “Chez Day” and all are looking forward to the year ahead. Thank you to those who have volunteered to be on the Committee and welcome to the two new Committee Members. We have numerous activities planned in 2020 for the Nissan Patrol Club, with the trips calendar developing nicely.

The weekend at Murbko would have been held by the time this is going to press. Unfortunately we are missing the trip due to our visit to India, but hope all enjoy the nice relaxed atmosphere of this trip. Happy fishing, canoeing, etc. We will hear all about this event in a later edition of our magazine.

Contributing and actively participating in the club is a great way of getting to know your fellow members. Remember that the Nissan Patrol Club is your club. Please always feel free to contribute any ideas you have about the club, trips, meetings, etc. By actively participating you are helping to shape the club you want.

Let’s make 2020 a fun year. Enjoy life, make new friends, travel far and wide, and make 2020 a year to remember.

Happy camping and travels,

Your Club President

Family Christmas Picnic with Father Christmas.
held at Challa Gardens Primary School on Sunday 24th November 2019.

The Nissan Patrol Club held a very successful Family Christmas Picnic at the Challa Gardens Primary School with 23 members and 10 children (Summer, Piper, Zali, Jaxon, Logan, Ruby, Kellie, Braydon, Liam & Charlie) and 2 dogs Lucy and Bunyip, enjoying a sunny 27-degree day of fun and activities. We had eskies with canned drinks, water and fruit boxes. Everyone bought their own picnic lunch and we had a beautiful site in the school grounds underneath the canopies.

Having a playground at the school is great for the children as they waited for everyone to arrive. Our first game for the day was “Simon Says” I must admit these kids are clever. Took a while but eventually Zali took out the honours and was declared the winner receiving her prize. Next the challenging “Tug-of-War” with the children and adults all participating. The children are exceptionally stronger now days as they defeated all the adults. Lollipops & Mentos were given out to all who participated.

Our next game was with Professor Albert who created the Landing Module on the Moon. For the adults it was to locate “The landing spot “Sea of Storms” and the children had to locate the “Sea of Tranquillity.” We had our 4 winners. Children 1st prize went to Kellie and 2nd prize went to Liam and Adults 1st Prize went to John Kerr and 2nd Prize went to Daniel Rayner.

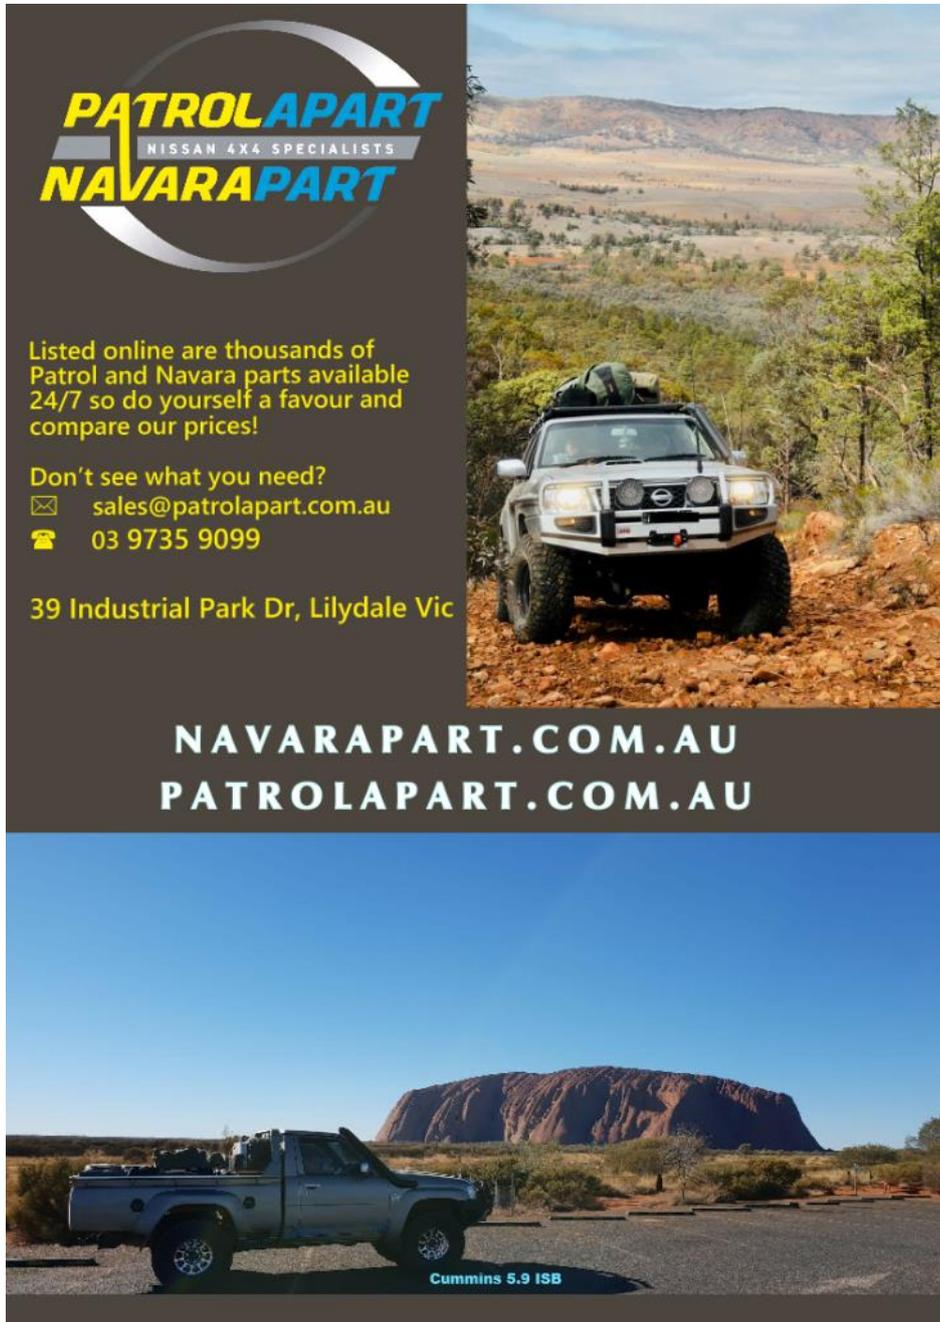

By this time, we all had built up an appetite. Picnic baskets were opened, and we all enjoyed our picnic lunch. After lunch the children gathered around the tree which had a seat surrounding it. A game of “Pass the Parcel” with music provided by Sara. Every child managed to have a chance to unwrap a layer with a lolly in each wrapper with Jaxon as the outright winner. I had heard that Father Christmas was in the building so 10 excited children raced in to see him sitting in his chair. The children enjoyed having their photo taken with Father Christmas. His rendition of Ho Ho Ho! and with his helper Maddie distributed all the presents and lollies to all the children. So, the adults did not miss out and they have been good this year Father Christmas had his photo taken with them also. Santa was a busy man, so he had to say goodbye to everyone and head off to another Christmas Party. “It was time for another game. “

The Red Christmas Ornament Piñata was then tied onto the rope and with an eager line up of children starting from the smallest to the tallest they took it in turns with a blindfold and gave that Christmas Ornament a good whacking!!!! Finally !!!! the Red Christmas Ornament succumbed and could take no more and split open with lollies everywhere. All the children ran up and gathered as many lollies as they could.

With lollies devoured quickly Ice-creams were then presented to all the adults and children. That was the last of the organised entertainment for the day. All the families started to pack up and left for home. We were happy with the day sending the children home with smiles on their faces and a “Big Sugar Rush”

Many thanks to the Committee for all their help in setting up & packing up, assisting with all the tasks required and different jobs that were needed to make this day happen.

Theatre Night Friday 8th May 2020.

Fashion merchandising student and sorority girl Elle Woods is taken to an expensive restaurant by her boyfriend, the governor's son, Warner Huntington III. She expects Warner to propose, but he breaks up with her instead. He intends to go to Harvard Law School and become a successful politician, and believes that Elle is not "serious" enough for that kind of life.

Elle believes she can win Warner back if she shows herself capable of achieving the same things. She is accepted into Harvard Law and eventually graduates but not before some intriguing twists and turns.

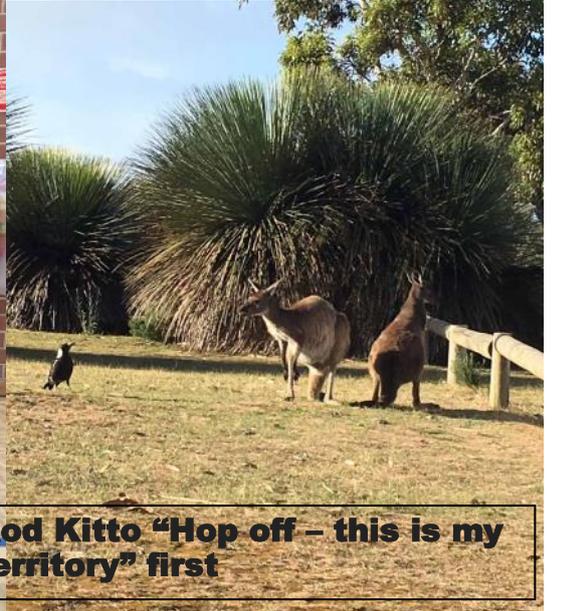

Finally she dumps Warner

Breakfast in the Park 2019.

We had just on 40 members of the Nissan Patrol Club SA attend the annual "Breakfast in the Park" for our 31st Christmas breakup. It was again held at the east end of Rymill Park by the rose bushes. Weather was perfect sitting at about 24 degrees, and it was fantastic to see a good attendance at this event as it is our last one for the year. As usual the circle of chairs grew larger and larger as more members arrived

With Santa hats and Christmas decorations around, we knew Christmas was just around the corner. Even Lucy the dog embraced the festivities.

Breakfasts have altered quite considerably over the years. Where BBQ's (Bacon & Eggs) and Pancakes were cooked in the past, members brought their McDonalds & Subway. Nibbles are and always will be popular, fresh fruit, Christmas cake, slices, even scones. Coffee, tea, and bubbly to help celebrate the Festive Season.

While best wishes for the festive season were abundant there was also a lot of reminiscing and planning for the New Year

PRESIDENTS AGM REPORT 2019

Well, can you believe it is that time of year again. 12 months of 2019 have flown by.

Again, I start off with saying it has been an absolute privilege and honour to serve this great club as your President over the last year, and what a year we have had. As a club, we share our knowledge, thoughts and time with each other which continues to foster such a positive atmosphere within the club and its members. It is great to have seen new members joining our club this year and participating on club trips and volunteering in club events.

Thanks must go to the committee members for their tireless work throughout the year enough, for without them we would not have such a wonderful and productive club. Without singling out a few individuals and activities, can I please ask you as members of this great club to take the time to thank these people at your next opportunity for their hard work and diligence in keeping this club running so efficiently.

We have been a very active club this year with trips and club events. My club highlight of the year would have to be the 40th Anniversary of the Nissan Patrol Club and the interclub Octoberfest where we cooked breakfast for the whole 95 cars that attended. My reason why these specific events and trips influenced me was because it gave me an opportunity to observe and participate in the teamwork and camaraderie that this club always has towards one another.

This has been a year of change, the DTU has been disbanded and The Club support Unit (CSU) set up. Ideas are in motion for club events in 2020.

I just want to say it was a fantastic turnout for the Family Christmas Picnic with Santa, 23 members and family as well as 10 children enjoyed a pack filled day. The weather was perfect, games were played, prizes won, picnic lunch, piñata and lots of lollies. The children's faces as they received their presents from Santa and participation in the games was a joy to see, making it all worthwhile and I specifically want to thank all those members for coming and setting up and running the event to make the day the success it was.

Also, I always love the end of year Breakfast in the Park and opportunity to share with each other our stories and adventures of 2019 and our plans for the year ahead.

As I have pointed out in the President Points of our magazine, I came to the decision that this is my last year as President. I have really enjoyed the past 2 years as your President and hope whoever fills in this position will receive the love and support you bestowed upon me when I took the reins. Know that I leave this role with a positive outlook, and with hope for a new leader and in turn new ideas. I always will continue to love and have great passion for this club and look forward to continuing to see it thrive well into the future. For every committee member I'd had the privilege of working with, I would also like to say heartfelt thanks for your support and effort in making my job so much easier and enjoyable.

On that note, I would like to say that both Dave and I wish you and families a very Merry Christmas and a safe and prosperous New Year and look forward to seeing you all in 2020.

Helen Richards (364) Signing off...

All other reports presented at the 2019 AGM have been distributed to members and are available on request

SECRETARY'S ANNUAL REPORT: (John Day) 2019

First, the official bit (Correspondence) – the AirDoctor Magazine is available if anyone is interested, and we have received an email of thanks from the Conservation and Wildlife Management Association/Sporting Shooters Association for enabling them to present and thanking the Club for their donation.

My year as Secretary has been a bit of a whirlwind. It went as quickly as it came, with a flurry in the middle.

As Secretary, I have communicated all aspects of the club's activities, along with sending out various Magazines, and communications from FWDSA, Zoos SA RFDS, etc, etc.

I take this opportunity to thank everyone when there were a few hiccups, especially with email addresses and would like to wish everyone a Merry Christmas, safe and Happy New Year and safe travels in the future.

From page 4

As were heading out we met Steven Bailey in his little blue bus coming in. He had missed all the fun. In all we caught quite a few dozen crabs, all had a good feed and still enough to make a huge bowl of meat to add some to our wonderful smorgasbord lunch on Sunday, a meal to be envied.

Saturday evening we dined at the local ale house conveniently placed opposite the caravan park. After our meal we went on to the disco as we were sure this was where it all happened. What a wonderful dancer Bob Larkin is! His footwork when he was "twisting the night away" was something to be admired.

Ron was guardian angel to a couple of lads that stayed on a bit longer to bend the elbow with the locals in the bar, and then escorted them safely home, where once again before retiring (very noisily) for the night we had another round of "tap dancing" from Bob.

Sunday morning off to Mac's Beach again – another good catch although not as many as the previous day but it was a more pleasing day weather wise. Not so many flies either!

Back to the park to cook the crabs and prepare the lunch. Thanks to Pat and John we were also treated to some wonderful fresh fish to dine on with the rest of our delicacies.

It was a most enjoyable, happy, relaxing weekend with wonderful company – adults and children. "Thank you all!"

Bushy's Tracks and Camping March 8th – 11th

Trip Leader : Tony Moran

Hello Everyone,

We hope you can join us on the March long weekend.

Bushy's is available from lunch time on Saturday.

We will be leaving Coonalpyn at 1030 if any one would like to meet us there. Please let us know if you will be joining us or making your own way. (0418810174)

The address for Bushy's is 180 Ashby Rd. Tintinara.

The campground is basic and the only amenity is a long drop.

The tracks are sandy and not too taxing.

Hopefully we will have lunch and set up and then get a short time out on the tracks before happy hour and a social evening.

Sunday will be a relaxed affair with a not too early a start and some more fun in the sand.

Pack up Monday morning and then home.

Understandably there will be no camp fires unless significant rain falls beforehand.

Please have your ice forms and \$50 site fees ready for collection on Saturday.

Looking forward to seeing you,

Chris & Tony Moran
